DESCRIPTION

I am an enthusiastic and driven Computer Science undergraduate with a solid understanding of software development, data structures, and problem-solving. Experienced in building scalable applications using HTML, JavaScript, and SQL and passionate about leveraging technology to solve real-world challenges. Known for a strong analytical mindset, quick adaptability to new technologies, and effective collaboration in team settings. **Actively seeking an internship opportunity to apply my technical skills, contribute to impactful projects, and grow within a dynamic tech environment.** Committed to continuous learning and delivering high-quality results in fast-paced settings.

SKILLS

- Frontend Development: HTML, CSS, JavaScript, Bootstrap, Responsive Web Design
- Backend Development: Java (Spring Boot, Hibernate), REST APIs, Object-Oriented Programming (OOP)
- Database Management: SQL (MySQL, PostgreSQL), Database Design, Query Optimization
- Web Technologies: AJAX, JSON, DOM Manipulation, Event Handling
- Version Control: Git, GitHub

INTERNSHIP EXPERIENCE

MAKE VISION

KRISHNAGIRI, TN

Software developer intern

NOV- 2024

- Cooperated with developers in building and enhancing front-end components using HTML, CSS, and JavaScript.
- Helped in debugging and code reviews for quality and adherence to best practices.

EDUCATION

Er. Perumal Manimekalai College of Engineering

KONERIPALLI, HOSUR, TN

CGPA: 8.1/10

NOV 2022- PRESENT

PROJECTS

Mini project Language Translator application

- Which is used to translate one language to another language.
- Collaborating with teams on various projects.
- Engaging with modern web frameworks.

Online shop cart application

- Produced a user-friendly shopping cart interface using HTML, CSS, and JavaScript.
- Established database connectivity using SQL to track product inventory and checkout processes.

CERTIFICATIONS:

- | | |
|--|----------------|
| • Generative Artificial Intelligence Certification – skills and Brain camp | APRIL 2024 |
| • Responsive Web Development Certification – Make Vision | SEPTEMBER 2024 |
| • Full Stack Course Certification – EduPrep | FEBRUARY 2025 |

TECHNICAL SKILLS:

- HTML, CSS, JavaScript, Java, and SQL
- GIT, GitHub
